1992-1993	\$280,643,275	\$185,235,373	66.00%	9,012	\$112,863,096	3,396	686	40.22%	37.68%
1991-1992	\$274,228,611	\$179,051,063	65.29%	8,740	\$103,929,721	3,209	636	37.90%	36.72%

In this table, each row corresponds to awards supported by the NSERC Discovery Grant program in a given fiscal year

NSERC Disc. Total = This is the total amount NSERC spent during the given fiscal year in the discovery grant program

Individual Grants = The total funding for Individual Discovery Grants

Indiv/Total = The percentage of Discovery Grant funds used for individual discovery grants

NT = This is the total number of grants supported

Adv. of Knowledge = The total amount spent for "advancement of knowledge"

N Ad = The number of grants studying "advancement of knowledge" supported

Knoweldge/Total = The percentage of Discovery Grant funds used for advancement of knowledge

N Ad/N T = The percentage of Discovery Grants which were in the advancement of knowledge category
